Job Title:	Clinical Supervisor
Date Available:	Currently Available
Date Posting:	August 2022

About Coalition for Hispanic Family Services (CHFS)

CHFS is a community-based, family-focused organization of color providing an array of services to children and families in North Brooklyn and Western Queens. For over 30 years, CHFS has worked with vulnerable populations that include children in foster care, and emotionally disturbed children and youth and their families who have or are at risk of abuse and neglect. The provision of accessible, high-quality health services to these vulnerable populations is central to our holistic approach of strengthening families in a culturally competent manner.

Position Overview

Bonding Links- Enlazos Familiares Mental Health Clinic, a part of CHFS, is licensed by the New York State Office of Mental Health and strives to offer culturally sensitive services for children and youth. Our agency's goal to empower children and their families includes an emphasis on providing the best quality of care in all of its programs. At Bonding Links-Enlazos Familiares, treatment is family-focused and targets the immediate needs and concerns that families in our communities often face.

CHFS's Clinical Supervisor supervises a team of clinicians who provide mental health therapeutic services to children and their families, and also maintains a small caseload of their own.

Immigration, separation, poverty, and generational trauma are some of the key stressors our clients experience. Staff receive Trauma-Focused Cognitive Behavioral Therapy training and utilize an eco-systemic approach to ensure that all clients receive culturally sensitive, family oriented, strength-based therapy services.

Responsibilities

1. Assist the Clinic Director in the daily management of the clinic.
2. Provide weekly clinical, administrative, and reflective supervision to full-time clinicians.
3. Monitor and implement trainings to meet the needs of clinical staff.
4. Organize and participate in interdisciplinary team meetings, community conferences, and weekly staff meetings.
5. Serve on clinic and organization-wide committee meetings.

6. Train clinicians in strength-based client-centered clinical documentation; review and edit all clinical documents.
7. Provide weekly therapy services to a caseload of roughly 15 clients, ages 0-21 years old.
8. Attend the following trainings:
 - Trauma-Focused Cognitive Behavioral Therapy (TFCBT)
 - Managed and Adaptive Practices (MAP)
 - Suicide Pathways
 - Infant and Early Childhood Mental Health
9. Maintain collaborative relationships with outside agencies, programs, services and facilities and, when needed, make appropriate client referrals.
10. Performs other duties as assigned.

Qualifications

1. Master's Degree of Social Work, Mental Health, Marriage and Family Therapy, or Creative Arts Therapy from an accredited school.
2. Active New York State License in Social Work, Mental Health Counseling, Marriage and Family Therapy, or Creative Arts Therapy.
3. 2 years of supervisory experience and 5 years of clinical experience.
4. Excellent writing and documentation skills.
5. Bilingual in Spanish and English is preferred.
6. Understanding and appreciation of the roles of race, religion, ethnicity, sexual identity, and individual values as they relate to mental health and treatment of clients and families.

To apply: Submit a resume and cover letter with qualifications to Carrie Tillett-Saks, Clinic Director, at ctillett-saks@hispanicfamilyservicesny.org and Carmen Rosa, Clinical Supervisor, at crosa@hispanicfamilyservicesny.org.
